WORK EXPERIENCE

MANAGER - WINAMAC ACE HARDWARE
June 2010 – Present

I filled out various paperwork and filings mostly related to inventory management. I oversaw the proper keeping of inventory in case of damage, theft, or necessity of use in the store. I communicated and delegated tasks to coworkers. I installed and maintained various technologies such as new computers for registers, new signature pads, and telecommunication infrastructures.

MATH DEPARTMENT INTERN – BUTLER UNIVERSITY
December 2017 - Present

I worked with professors to help create and administer various learning assessments and activities. I held my own independent office hours were students of my classes could come ask for assistance. I participated in a weekly skill building Seminar. I ran review sessions for my classes and during finals week a review session for every section of the courses I enriched.
